Dear Parents/Carers,

Re: Remote Learning Survey

We hope you are all well and glad the children are back in school. It's so lovely to have them all back in class.

The school has worked exceptionally hard to develop the use of Google Classroom/Blogs/Purple Mash/Google Meets to ensure excellent provision of teaching and learning during the lockdown. We have all had to develop new skills and new vocabulary very quickly. It was so impressive how the children just seemed to acquire these skills so easily. We hope that we will not have to close the school again but if, for example, a bubble had to close we would continue to use similar provision that was in place from January. We want to listen to your views and see where we can continue to make improvements.

Your feedback is very valuable to us and so therefore we would like you to complete a short survey to ascertain your views. We really appreciate the time you take to complete it. It should only take a few minutes.
