

## School Song

### Chorus

Let us walk with him beside us  
Let us walk in peace and love  
Share a bond with one another  
In the hope of God above  
Let us give to those who need it  
Let us share in all our joys  
For it's this we give to others  
From St Agnes' girls and boys

In peace and in hope and in love and in joy  
We're wondrously serving Him  
Content with our lives, with our health and our faith  
We're striving to keep from sin

### Chorus

Let us walk with him beside us  
Let us walk in peace and love  
Share a bond with one another  
In the hope of God above  
Let us give to those who need it  
Let us share in all our joys  
For it's this we give to others
