## IMPORTANT COVID-19 UPDATE

Dear parents & carers,

Further to the letter sent out earlier regarding our renewed focus on attendance & punctuality after the half term holidays, I think it is important to clarify that if you, your child, or anyone in your family displays any symptoms of COVID-19, you should follow government guidelines and stay at home. You should also get a test as soon as possible. If you believe you have come into contact with anyone with COVID-19, you should follow the same guidelines.

**Please do not come to school until you have completed the period of isolation and/or you have a negative test.**
